Subject: Addressing PV Questions
Attachments: PV Shelf Points.docx

Hi Yariisa and Yolanda,

In regards to any possible PV questions, I was given some great tips from Judy and Sonam which I highlighted in the attached document. I have posed a couple of questions to both of you, highlighted in yellow below.

Going forward on addressing this subject:

- Sonam can meet with us tomorrow, to clarify any OPA talking points, if needed. (Would you be interested in this?)
- Early next week, I plan on meeting with John C. and Judy to explain the process of this meeting and to get any helpful tips on addressing this subject. (Given our schedules, please provide a couple of options that work for you.)

Thank you,
Romie

Thank you,
Romie Duarte
